---

I have the honour to forward herewith report No. O.C.11/45-46 dated 1/8/45 received from the President, Town Municipal Council Magadi on the above subject, and to state that the Municipal Council in their meeting held on 21-7-45 have resolved to employ 6 additional sweepers on Rs.9/- each for a period of 6 months from 1/8/45 for intensive cleaning of the streets of the Town. It is proposed to meet this expenditure from the closing balance of the municipality for the current year.

It is reported that there are at present 13 sweepers in the municipality. Considering the area and population of the town including three suburbs, the present number is too small and cannot cope up with the volume of work involved in connection with the intensive cleaning work of the town in addition to their normal duties.

In the above circumstances I request that sanction of Government may kindly be obtained to the proposal of the Municipal Council.
